

Boiled, peeled &
**ready
to eat!**

Spring Creek's boiled & peeled **quail eggs** are a uniquely delicious and ready-to-eat alternative to standard boiled chicken eggs. These tiny eggs have big potential to become a popular specialty product in your store!

**Meet a
new egg!**

Today's consumers are looking for convenient ways to enjoy healthy foods. Spring Creek's boiled & peeled quail eggs are ready to enjoy right out of the bag — perfect for a quick, high-protein snack, on salads or even as hors d'oeuvres.

These eggs are ideal for the busy foodie, active gym-goer or ethnic customers looking to enjoy the taste of home.

Our eggs exceed CFIA standards, and our farm is audited yearly for compliance with the Safe Foods for Canadians Act (SFCA).

Consistent quality

Each egg is boiled to perfection and peeled at our farm before going into our unique resealable package, designed to keep them fresh and tasty.

Reliable supply

Keep your fridges stocked — we ship millions of eggs every week across Canada and the US. Spring Creek has a proven track record of fulfilling orders on time.

Marketing support

We support stores carrying our products with a robust social media and online marketing plan specifically tailored to introduce people to our eggs and the great stores that stock them.

ABOUT THE FARM

Spring Creek is a family-owned quail farm located in Saint Anns, Ontario.

Founded in 2002, our small but mighty farm has grown to become one of the largest producers of quail eggs in North America. Our all-natural eggs are laid by healthy and happy hens, with no antibiotics or hormones.

*So much
goodness
in one tiny egg.*

Quail eggs are what some foodies call a "superfood" because they're naturally rich in a range of nutrients. The benefits are almost too many to count! And did we mention they're perfect for clean eating, intermittent fasting, keto, low-carb and paleo diets?

- Free of hormones & antibiotics
- Convenient & ready to eat
- Pre-peeled for quick snacking
